* This charge allows 40 minutes of access to the audio tour. 80 minutes of full tour access available for \$15 plus tax. To conserve airtime minutes, we recommend that you disconnect and re-dial between audio stops. Your audio tour minutes are preserved while you are disconnected. Audio tour minutes are available for a 72 hour period after initial activation.

Normal airtime and roaming charges are NOT included. Additional charges are not common as most wireless plans offer unlimited weekend and a large number of pre-paid minutes. If this is a roaming call, we suggest not participating in the cell phone audio tour.
